KIRIDARA
ALL-DAY DINING

Welcome to
KIRIDARA All-Day Dining,

Designed for every moment of the day, our dining room welcomes you from morning to night. Begin with a comforting breakfast, enjoy Lao and international flavors at lunch, or gather for a relaxed and festive dinner.

Set within an intentionally minimal space, the room is anchored by a monumental gold wall sculpture—crafted from hundreds of Lao motifs, each hand-carved and gold-gilded by local artisans using ancient Luang Prabang techniques. This artwork reflects the spirit, history, and craftsmanship of the community that surrounds us.

Here, every meal is more than nourishment—it is a shared experience rooted in culture, simplicity, and connection.

Welcome home. Please sit for a while.
