

KIRIDARA  
POOL BAR

## Poolside Sanctuary Taste & Tranquility Above Luang Prabang

Perched high above the town, our pool offers a sweeping view of Luang Prabang—the winding Mekong River, distant mountains, and the warm terracotta rooftops that shape this historic city.

Surrounded by graceful plumeria trees and open skies, the poolside is bathed in sunshine and cooled by gentle mountain breezes. It is a quiet sanctuary, created for both body and mind.

Whether you are resting on a sunbed or gathering around our poolside tables, this is a place to slow down and simply be. Our thoughtfully curated food and cocktail menu is designed to match the moment—light, refreshing, and effortlessly refined.

Breathe in. Breathe out.

The sky is open, the view is endless, and time moves just a little more gently here.
